MY NAME IS RORY SABBATINI

and I am a silver medalist from Tokyo 2020. I would like to invite you to play in Penati Slovak Open. Before I won the silver medal, I won Slovak Open 2019. Maybe it was my lucky charm, too. Penati Golf Resort is an amazing place to play golf and I am proud to be an ambassador of this tournament. Prize money and Wild Card for Italian Challenge Open is really motivating and I believe that for somebody it can be life changing. I believe I can see you all at **Penati Slovak Open in 2025!**

VENUE INFORMATION

**Raiffeisen
Bank**

PENATI SLOVAK OPEN, the most prestigious professional tournament in Slovakia, has welcomed professionals from Slovakia, the Czech Republic, and neighboring countries for the past eight years.

Held every September at Penati Golf Resort on its' Nicklaus Design Legend Course, it gives players an experience of excellent quality, a fantastic ambiance, and a unique 6-pair hole. The tournament, with its quality and high level, arouses interest among young players who have the chance to win a wild card on the Challenge Tour.

In 2019, the silver medalist Rory Sabbatini (TOKIO 2020) became the ambassador of the tournament, took part in the tournament, and won it after a dramatic duel.

The tournament is open to any professional player. Amateurs can qualify for the tournament by winning the highest amateur competitions in Slovakia.

In recent years, it is the largest professional event in Slovakia known among the players for its exceptional atmosphere and hospitality.

TITLE PARTNER **PENATI** **GOLF RESORT**

The venue for the Penati Slovak Open Championship 2025 is Penati Golf Resort. Penati Golf Resort is a unique 36-hole facility, a singular project in Slovakia, and still a newcomer on the map of the top golf resorts in Central Europe. It is situated in the region of Záhorie, near the town of Senica, one hour drive from Bratislava, the capital city of Slovakia, and within 2-hours from Vienna International Airport.

The resort amidst pine forests on land interspersed with white sand dunes and with an uncommonly large size of 217 hectares and distinctive features, is the first complex in Slovakia designed to meet the expectations of a broad range of golfers and golfing enthusiasts.

It consists of two 18-hole courses of the highest quality. LEGEND COURSE and the HERITAGE COURSE. The Penati Slovak Open Championship 2023 is going to take place on the 18-hole course LEGEND COURSE designed by Jack Nicklaus Designer Studio.

Wide undulating fairways, a diversity of greens, challenging steep bunkers, and beautiful and variable teeing placements all let golfers choose the degree of difficulty of their games. The greens are big but undulating so that it's easy to find difficult flag positions when the course has been tuned for competition.

The 712-meter 15th hole – the longest hole in Central Europe awaits golf

enthusiasts. The view alone is fascinating. Equally unparalleled is the final, narrowest hole on the course- played in a near dream-like setting on a magnificent island green. The island green – a small emerald floating upon a blue surface – sets the grand stage for the final act of the golf drama, guaranteed to liven up a provide a thrilling close to the game.

The course record from the black tees is 61 made in 2016 by Garrick Porteous from England.

The club facilities include large practice areas, a pro shop, a cozy restaurant, and modern social areas.

The club is very active with almost 1000 members.

Aside from the world-class 36-holes golf course, there is a plenty of possibilities for relaxing and spending quality, active leisure time.

Penati Golf Resort is ranked among the TOP 100 Golf Resorts in Continental Europe and is also the proud holder of the prestigious EUROPE ENVIRO OSCAR for respecting and protecting the countryside's natural beauty.

PLUG-IN HYBRIDNÝ POHON LEXUS

Nová plug-in hybridná hnacia sústava od spoločnosti Lexus spája prednosti 4. generácie hybridného pohonu Lexus bez nutnosti dobíjania a technológie elektrického vozidla Lexus. Znamienko „plus“ v názve modelu RX 450h+ vzdáva hold mimoriadne výkonnému lítiovu-iónovému akumulátoru vozidla a jeho skvelému dojazdu v elektrickom režime.

DOJAZD VIAC AKO 65 KM V ELEKTRICKOM REŽIME

Vďaka možnosti výberu spomedzi štyroch režimov je jazda v modeli RX 450h+ vždy plynulá a zábavná. V elektrickom režime sa na pohon v maximálnej miere využíva akumulátor, ktorý vám umožňuje prejsť viac ako 65 km (v kombinovanom cykle, do 90 km v meste). Keď vozidlo poháňa pokročilý lítiovu-iónový akumulátor s kapacitou 18,1 kWh, môžete si vychutnať tichú jazdu bez emisií rýchlosťou až do 135 km/h.

AKCELERÁCIA NA POŽIADANIE

Podľa toho, ako silno zošľapnete plynový pedál, sa v automatickom elektrickom/hybridnom režime prebudí k životu výkonný zážihový motor a zabezpečí rýchlu lineárnu akceleráciu práve vo chvíli, keď ju potrebujete. Rýchlosť 100 km/h dosiahnete už za 6,5 sekundy.

DOBÍJANIE POČAS JAZDY

Ak nutne potrebujete dobíť akumulátor, aby ste napríklad mohli vojsť do bezemisnej zóny, môžete tak urobiť pomocou režimu nabíjania akumulátora.

SKÚSENOSTI Z DVOCH MILIÓNOV HYBRIDOV

Ak úroveň nabitia akumulátora poklesne v režime EV alebo Auto EV Hybrid, vďaka našej 4. generácii hybridnej technológie Lexus bez nutnosti dobíjania sa systém prepne do mimoriadne efektívneho hybridného režimu, aby ste si mohli opäť užívať plný výkon vozidla.

NABÍJANIE ZO SIETE DOMA I NA CESTÁCH

Ak chcete dosiahnuť maximálny dojazd a výkon v elektrickom režime, akumulátor môžete nabíjať pomocou svojej domácej nabíjacej stanice Lexus alebo na verejnej nabíjacej stanici. Multimediálny systém Lexus Link vám poskytne informácie o polohe a dostupnosti týchto staníc v rámci Európy a dokonca vypočíta aj náklady na km.
